

Oct 2018:

Participants:

- 3-5 students and two teachers per country will attend (as detailed in the budget).

The 2 teachers are preferably a career counsellor and English teacher, so they can assist students during the practical part of the exchange. The students will be selected from the target group of 17-18 year olds in each school. The host school will involve 8/10 students in the activities and other students for organisation purposes.

Before the meeting, students will prepare presentation about job opportunities in their countries, under the supervision of their teachers.

The exchange presupposes both topic-related activities and cultural activities.
